

Minnesota Africans want to build a nonprofit public-private partnership around four issue areas: Education, Workforce, Economy and Healthcare for an integrated economic growth. Whether you are a large corporation, nonprofit, small business, school, college, university, students, recent graduates, or an individual looking to build your resume, there are many benefits to becoming a member of Minnesota Africans United.

As an African country affiliated organization in Minnesota, being a member of Minnesota Africans United is a great way to increase the visibility of your group to the donors, government, public and private foundations, by having a place to share your success stories, develop fundraising connection, capacity building and being our ally for common good

- Advocate on your behalf at the state legislature, with the city and county governments, and with our federal congregational delegation
- Work with the media, corporation, foundation, on behalf of the organization to spotlight the activities of the organization and share stories and best practices
